1	Q.	Okay, so you're just going by

- 3 A. That's correct.
- 4 Q. So after you get him into cuffs, so now he's cuffed, what is your recollection as to how
- long until Tran said, "Loosen up, loosen up"?
- A. Could have been approximately 30 seconds or right away he was cuffed. 8
- Q. So it's somewhere between right away and 9 30 seconds? 10
- 11 A. Correct.
- Q. If I could get you to turn to page 36 of 12
- your statement. And if you would start, just start
- at line 11 and read down to 22.
- 15 A. (Witness complies.) So like a couple 16 seconds later he released him altogether.
- Q. Okay, so when you were speaking on 17
- page 36 it was your recollection that after he was 18
- cuffed he was released after just a couple of
- seconds; is that correct? 20
- 21 A. Correct.
- 22 Q. And then if you would turn to
- 23 page 73, which we were already on, and read lines 8
- to 11 to yourself. 24
- 25 A. (Witness complies.) It would be like

- A. I believe so, yes. 2
  - Q. Now, you testified that you didn't make
- any commands. Was Tran your supervisor?
- 6 Q. Okay, were you equal?
- 7 A. Yes.
- Q. How does it work in giving commands to 8
- other officers, do you both give commands or just 9 10 one?
- 11 A. Negative, one, one officer gives a 12 command.
- Q. So after Tran gave his command did you 13 feel like you needed to give a further command? 14
  - A. No.
- 16 Q. And did you ever hear Officer or Sgt.,
  - Sgt. Crumrine ever give any commands personally?
- 18 A. I believe I do remember. I don't believe
- so. I can't recall. 19
- Q. When did you learn personally that 20
- 21 Mr. Farmer Brown was unconscious?
- 22 A. After the release was, the hold was
- 23 released, and Tashi Farmer was turned I did notice
- that his nose I believe was bleeding and his mouth
- had some foam on it I believe, and then I realized 25

- five seconds after.
- Q. So there you estimated it was about 2
- five seconds after he was cuffed that he was
- released?

5

- A. That's correct.
- Q. And then on page 74 on lines 9 and 10 you 6
- agreed with the interviewing officer that it was a
- few seconds after the handcuffing that he was
- released, correct?
- 10 A. Yes.
- Q. So when you gave your statement you 11
- 12 stated that Officer Lopera released the neck
- restraint anywhere from a couple of seconds and
- 14 then -- but it was less than a minute was your
- 15 estimate, right?
- 16 A. Yes.
- Q. Okay. As you sit here today do you have 17
- 18 an opinion as to how long after the cuffing until he
- 19 was released?
- 20 A. It was shortly after -- when he was
- 21 cuffed how long it took to release?
- Q. Yes, after the handcuffing was complete, 22
- 23 how long until Officer Lopera released the LVNR?
- A. A couple seconds. 24
- Q. And was that based upon Tran making those 25

- then Officer Tran and myself should sit him up, try
- 2 to revive him, give him a slap on the back, and then
- that's when we called for medical. It was after he
- was turned, after --
- 5 Q. And he would have been handcuffed at that 6 point?
- A. Correct. 7

- Q. So prior to the handcuffing being
- completed did you have any information or visualize
- anything that would have led you to believe that
- Mr. Farmer Brown was unconscious? 11
- 12 A. No.
- 13 Q. And then you immediately called medical?
  - A. Correct.
  - Q. When you were in the middle of the scene
- would you agree that the scene was chaotic? 16
  - A. Yes.
- 18 Q. While you were attempting to handcuff did
- 19 you ever perceive during the handcuffing event that
- Officer Lopera was using what you believed to be
- 21 unreasonable force?
  - A. No.
- 23 Q. And so prior to the handcuffing did you
- 24 have any reason to believe that Officer Lopera was
- 25 acting improperly based upon how you understood the
